12 BARS

NO  
PRESERVATIVES

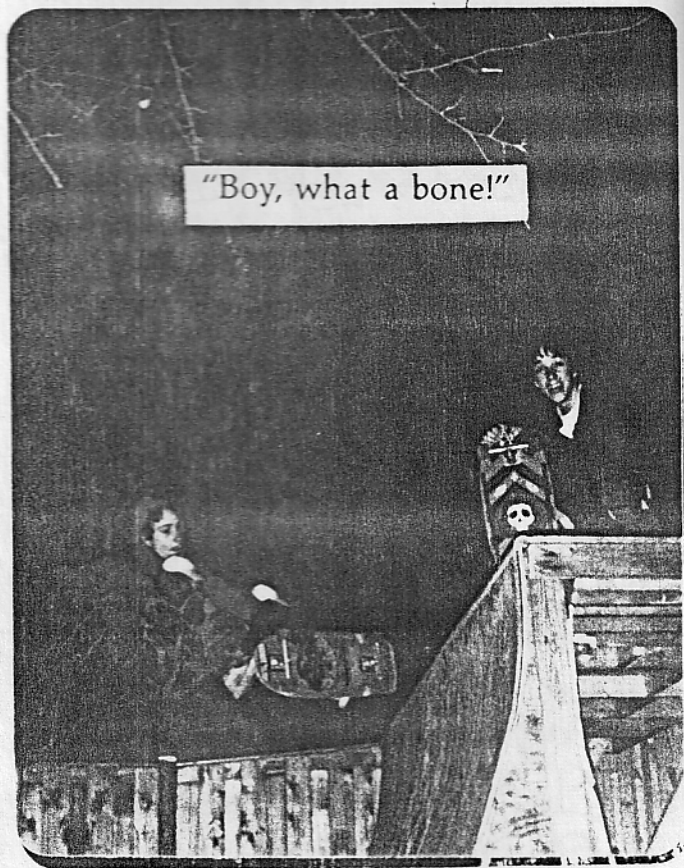

Sick of hearing about nutrition and preaches against junk food? Let's forget about health and talk about cheap, sweet, tasty snacks!

Little Debbies are the best buy at the supermarket. You can get a box big enough to fill up 4 or 5 hungry skaters for only about 75¢! And look what you get to choose from: BROWNIES, BARS, CAKES, AND COOKIES! Definitely FUN food!

## HYPHER TRANSITIONS!

The hyper ramp, owned by Troy and Todd, was constructed in August 1985. It was originally 8 feet wide, but 4 feet was added a few months ago. To further top things off, it recently received a new, super smooth layer. With 6 foot trans. it's a FUN ramp!

Johnny airs, Randy DORKS. Or is it..?

Vince airs without a care, as BMXers..

...angrily gesture, after finding all of their bikes in trees!!??

All I can say is if you don't like this ramp, then you don't like FUN, and you don't like me!!! It also has one of the biggest mini skaterat  
crowds to call it home.....

## LOCK AT WAYNE'S

One day, after school, Wayne had a little get-together in his driveway. Ten people showed, to skate the various street ramp structures set strategically on the smooth, downhill driveway.

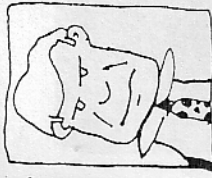

John and I were in attendance.

ONTARIO GROOVE, SCREAM, BEEFEATER:

JAN. 25

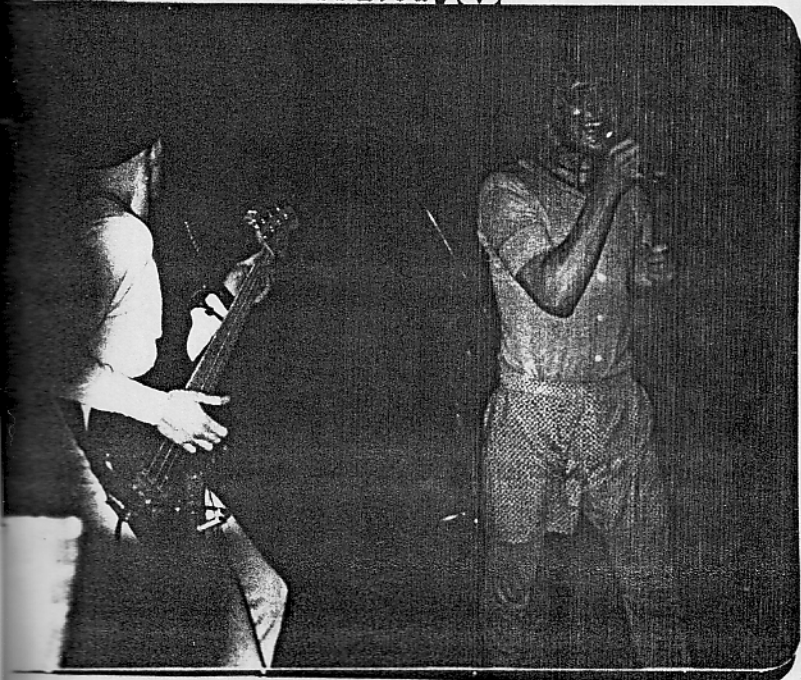

Dug&Tomas of Beefeater

This show was a benefit, done in the name of M.L. King. With a pretty cool, mellow crowd, even mom and dad would've enjoyed it!!

The price was only two bucks!!! I would'nt mind seeing a little more of that around here either!!

Ontario Groove came on first, they are a D.C. based GO-GO band. The crowd was pretty receptive to the jungle based beats put forth by this talented band! The drum section was really great, but the bass was lacking. Also, their synthesizer sounded like a church organ, depressing!! They played a fun set, but it was LONG (one song?). I think they played till *Scream's* van arrived. (?)

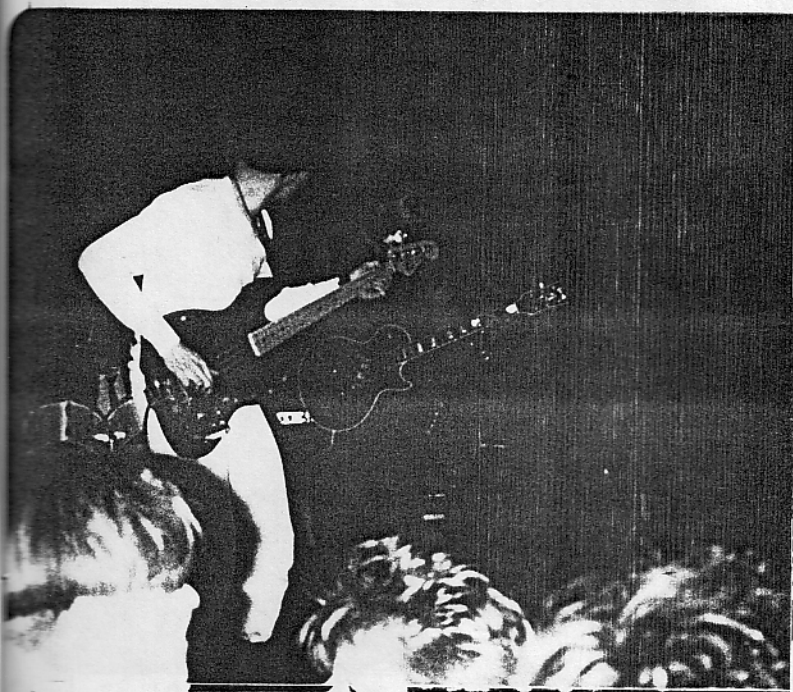

Scream came on after a showing of a film on M.L. King, it was cool!! Scream has really changed! They're even more talented now! Skeeter still puts down some powerful bass lines, and the drummer is really great!! They play a slower style now, that

the crowd was able to get into after a few songs. But there wasn't much left after that because that's how long their set was. They left the crowd begging for more, but were unable to provide since Beefeater was next and had little time.

Luckily, the time was extended so Beefeater, a very very good band, could play for about a half hour. Each member, taken separately, has exceptional

Dug and Fred WAIL!!!

talent! Dug is unbelievanle! He plays  
some very fast, crisp, plucking bass  
throbs! Fred completelt JAMSE on lead  
he, and the whole band, is completely  
into their music! Look out for them!

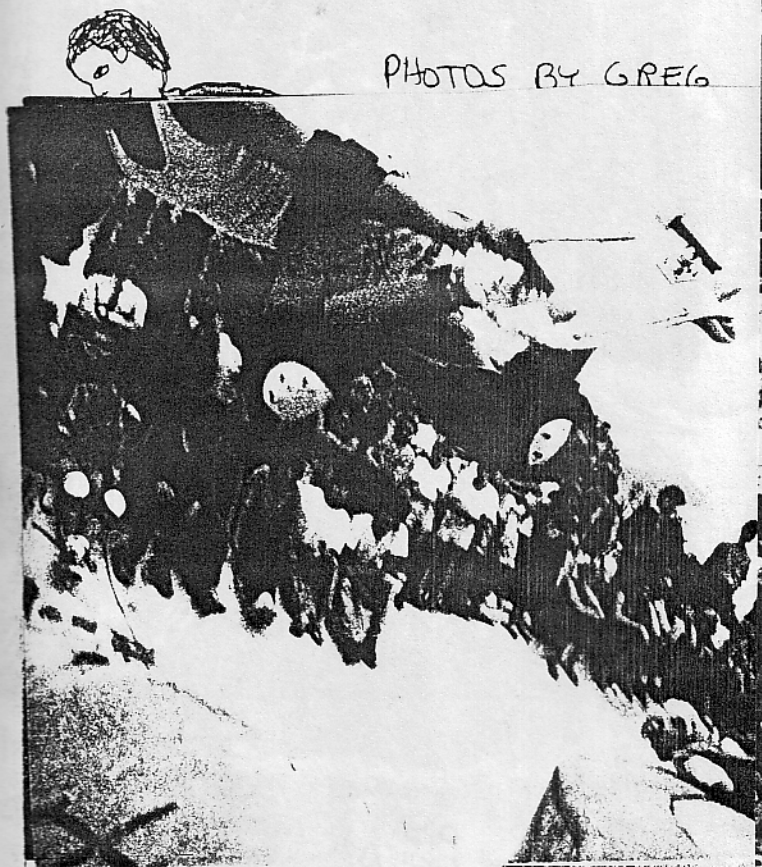

This was a special show for me ,  
because Mike was down from PA.!!!!  
I'm sure he enjoyed it too!!!!!!!!!!!!

## JEFF RETURNS

As most of you already know, Jeff has been up in 7 springs all winter. Well, he returned for one brief weekend, so I could take this picture.

All he could say when I first talked to him was 'LANDSDOWN!!!!!!' To Jeff, the place is heaven, it was all he thought about while gone! We went there, we skated, it was FUN! Then Jeff left again.....

DAĞ NASTY  
DAIN BRAMAGE, kid\$ for ca\$h

FEB. 1<sup>st</sup>

Ian & Embrace

This show was held at the Mantua Swimming and Racket Club. It brings me much joy to look back on that night when we were all members!! The place was nice, but the stage wasn't, because there was no stage. These five raging bands made up for whatever problems with a night of intense tunes!

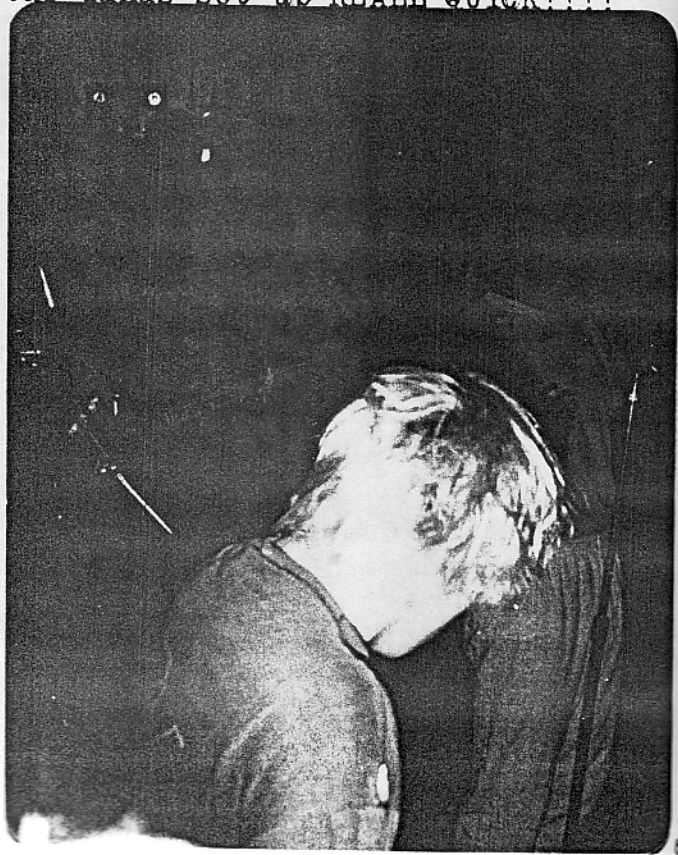

Dain  
Bramage

---

KID\$ for CASH opened up the night. They're a pretty new band, with mostly young members. They have a rough, foreign thrashy sound. There's definitely some talent here, so look for them in the future.

One cool thing about the night was the bands set up **REALL QUICK!!!!**

DAIN BRAMAGE was next, with a really cool, full sound. This trio is really talented too! the drummer completely shreds! I really enjoyed their style of mellow thrash.

DAG NASTY leaped onto the stage, outfitted in the now mandatory, pajama attire!! After resolving some amp problems, they blazed into a relentless thrash assault!! Sean should be proclaimed 'Dork of the Year' for exhibiting proper behavior! This band is very very talented, carrying on in the Minor Threat type of sound, they be one to watch for!

In the blink of an eye, EMBRACE was on the floor, with Ian at the mic. They played a ripping set, including all songs to date. Ian contributed greatly to the band's presence, with between song commentary, and even a handstand attempt! (He failed!) The highpoint of the set was when the band played a new version of one of their best songs,

'NO MORE P.A.!!!!

Ending the night was Beefeater.

Photo by John B

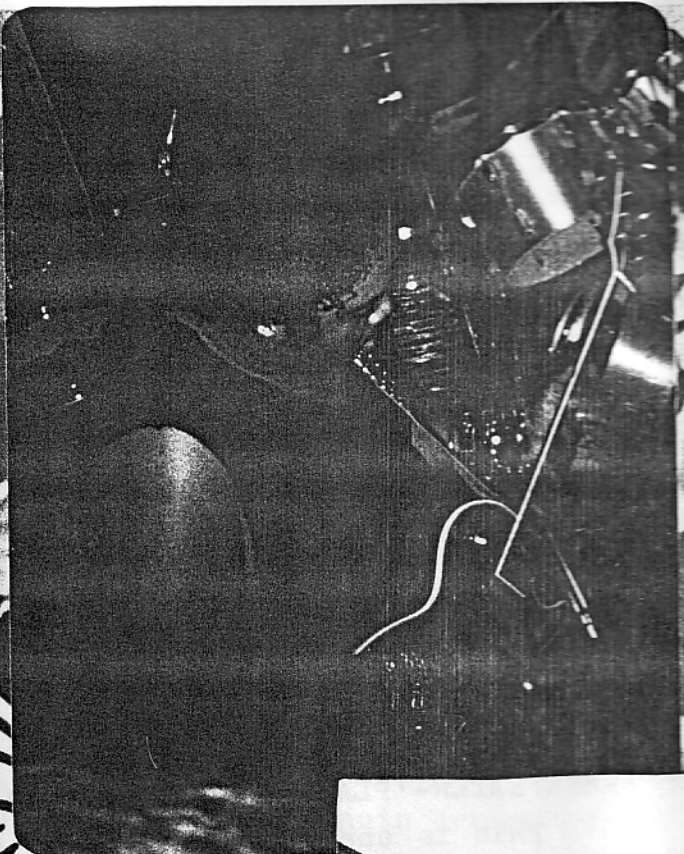

Their set was HOT!! They played all their best tunes, plus some new ones ta boot! This time, they were more on the emotional, drawn out side. There were some P.A. difficulties in the beginning, but things were worked out. Dug and Fred did 'nt disappoint me one bit!!! They're completelt into it!!

## FUNCORE REVIEWS!

### BCT #17-RAW POWER LIVE

I ordered this tape quite a while ago, I just got it, and believe me, it was worth the wait!! It's a comp of about eight sets that they played while on their 1984 tour of the U.S. Their style is wild and thrashing, with emphasis on crazy vocals and masterful leads. Most of this stuff is also on their 'Screams from the Gutter' LP, so if you like one, you'll love the other!!!

### BEEFEATER-'PLAYS FOR LOVERS' LP

This is one fantastic band!!!!!! Each member is SO talented! Dug, he's beyond description, he's about the BESTEST bass player in the universe!! Fred fits the same description but plays lead. Tomas, on vocals is what joins this band together and makes it constantly new and exciting. On the record, this band covers many topics never to have been mentioned before. such as how we stole the

indians' land, and Fred's song, which speaks of violence at shows. They play an incredible variety of music styles, thrash, funk, and folk, all sung by Tomas in a very flowing, emotional manner. Check them out as soon as possible!!!!!! %\$@!! HOT!!

D.R.I.-'VIOLENT PACIFICATION' EP

O.K., I know this is old, but it's very rare, so I figure alot of you haven't heard it. It's a fairly short record, but it contains a large enuff dose of thrash to move your body in a spasmodic sensation. One of D.R.I.'s hottest tracks, 'Runnin Around' is on here too! Buy it, if you can find it!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

S.N.F.U.-'AND NOONE ELSE WANTED TO PLA

Have you ever heard a bad review of this record? Ofcourse not, it's a masterpiece! So I'll be repetative and say what everybody else has said! It's #S%@c!!'n HOT!!! The melodies will

(S.N.F.U. cont.)

stay with you till you're 60 years old  
If I could only buy one album in my  
life, it would probably be this!!!!!!

MOTHRA TAPES-'HIDEOUS HEAD CHOP'N'COM

Here's another tape that I ordered  
through the mail, this one came with-  
in a month!!! This is one of the best  
foreign H.C. samplers I've ever heard  
With bands like LARM, OLHO SECO, RAP  
NEGAZION, and CCM, it can't be beat!!

C.O.C.-'ANIMOSITY' LP

WHOA!!! I listen to this album  
once a day, at least!!! That's how  
HOT it is! C.O.C. has such a hard,  
death driving sound, yet delivers  
all that power at 1000 mph.!!!!!!!  
Cool vocals and thoughtful lyrics  
make this a band you won't wanna miss
